

Holiday Schedule for 2011-2012

The 2010-11 holiday schedule below indicates the days when offices will be closed. On these days only essential operations will be conducted.

The extra vacation days between Christmas and New Year's will result in a shutdown of one week. In some areas, it might be necessary for employees to work during this week in order to carry on vital college functions. If this is the case, you will be informed by your supervisor, and you will be entitled to double time for holidays and time and a half for extra days worked in addition to your regular pay.
